Enabling children to be the best that they can be!

HORWOOD AND NEWTON TRACEY PRIMARY SCHOOL NEWSLETTER

Friday 28th March 2025

Dear parents and carers,

The weather is definitely starting to feel more like spring and the children have been able to get outside for their break and lunchtimes to enjoy the sunshine this week. Thank you to those parents who have kindly donated a range of resources for the children to play with. We aim to set up the bottom playground every lunchtime with a range of games, colouring and small world play for the children to engage with. If you have anything that you would like to donate, please do speak to a member of staff.

Our School Value

This week we continued to explore our school value of 'taking risks' and what this may feel like when we do this. One of the children was brave enough to share their recent experiences of a competition they took part in. They shared their feelings about how their body felt before the competition began. They also shared how they felt afterwards when they had achieved what they set out to do by taking that risk. We finished the assembly reflecting on what we do as individuals, a class and a whole school to enable us to take a risk and push ourselves out of our comfort zone. This is something we will continue to reflect on within our teaching and learning as we encourage our children to 'dive deeper' into their knowledge and understanding across the curriculum.

Parents Survey

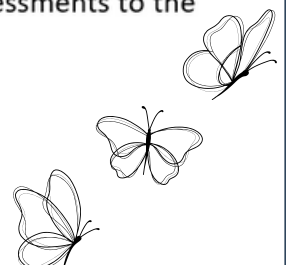

A huge thank you to everyone who took the time to complete our parent survey. We really do value your opinion and strive to work in close partnership with all our parents and carers to enable your child to flourish at HNTPS. Staff and I will be looking at the feedback and implementing this into our plan moving forward for the summer term.

ASSESSMENT

Assessment Week

We are incredibly proud of all our children at HNTPS, their positive attitude and resilience continued to shine this week as they completed their assessments in reading, maths, grammar and spelling across the school. The children used and applied the strategies they have been developing within the classroom to complete their assessments to the best of their ability. Well done everyone!

Alternative pick up arrangements/ Contact with staff

Just to remind parents that Mrs Humphries only works in school in the morning, so the office is not manned in the afternoon. If you urgently need to contact your child's class teacher, please send them a direct email and they will endeavour to pick it up. If there are changes to your pick-up arrangements, please can we ask that you contact the school before 12pm to ensure the message is passed to your child's class teacher. Many thanks.

Class trips and visits

Class 2 and 3 both had visitors to the school and visits out of school to consolidate their focused learning for this half term. The staff at the Zoo as well as members of the public commented on how well behaved and mannered the children were during their visit which definitely shone through on the day. I also spoke to Clive Pig who led class 3 Viking and story telling workshop. He also commented on the positive engagement of the children and their participation in the range of activities they took part in throughout the day. Well done to all or children.

Egg – citing Egg rolling Competition

Just to remind all our children that we have our class egg rolling competition on Monday afternoon next week. To enter their class competition, your child needs to bring a decorated hard-boiled egg into school ready to withstand the ramp of doom! The egg that rolls the furthest in each class, will be awarded with a chocolate Easter Egg, kindly donated by FRIENDS. Please make sure that the children think about how they will carefully transport their eggs to school on Monday as we wouldn't want any 'egg cidents', before the actual event! Looking forward to seeing their decorated eggs on Monday.

Mother's Day Celebration

The children in class 1 took time to celebrate their wonderful mummy at the village hall this morning. Over the past couple of weeks, the children have been preparing some lovely writing, sewing and singing to share with their special mummy. We hope everyone enjoyed the celebration.

Wishing all our lovely mums a happy Mother's Day. I hope the sun continues to shine.

Mrs Cook

HNTPS History Corner

... quotes taken from our headteacher log books

1st February 1943

"I, Sybil Cacace, commenced duties here as Head Teacher. Number of children present: 18 local children and 11 official evacuees."

20th April 1945

"4 boys and 1 girl over 12 years of age have been given 'Farming Cards' entitling them to help in seasonal agricultural work for 20 half school days."

What have we been learning in class this week?

Foundation Stage Class (Nursery & Class 1)

We have been working hard for several weeks to make beautiful cards and gifts for our mother's. We have also been learning songs to sing to them at the mothers day breakfast cafe. Well done to all the children in the foundation stage class for all your hard work and effort!

Class 2

The children have been exploring the life of Queen Elizabeth I in our history lessons this week. They used their knowledge and understanding to create their own fact file about her life as a child and when she became Queen. They also reflected on life during the Tudor period and the punishments that were in place during Henry VIII's reign as king, who was Elizabeth's father.

Class 3

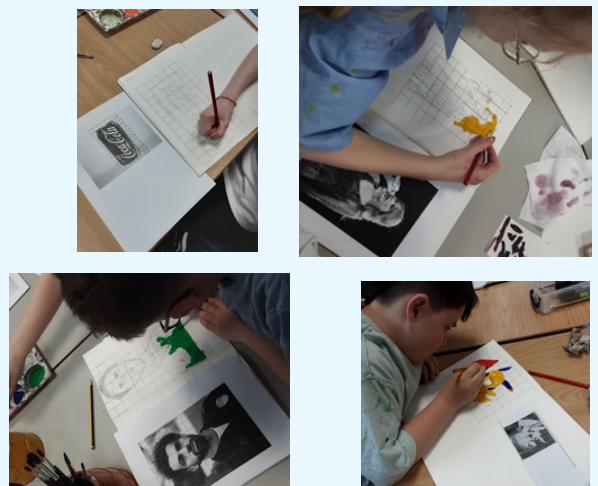

Wednesday was a very exciting day. Class 3 spent the day listening to, telling and acting out stories with the amazing Clive Pig.

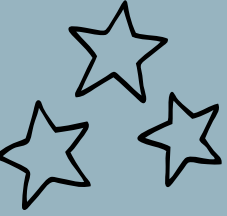

"It was really fun when he told stories about the Vikings" Bella

"I really liked it when we got to tell our own stories and it was great watching other people's stories too." Henry

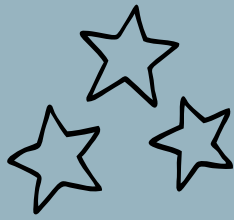

Class 4

Class 4 have enjoyed creating their own pop art creations based on icon images from our time. They have used complementary colours to create bright art work and used the grid method to sketch out their designs.

Well done

Isabel took part in 3 swimming races and came 4th out of the whole of Devon and Cornwall for the 100m backstroke. Well done!!

Great Job!

Firefighters School Visit

Thursday 20th March

Foundation Stage Class

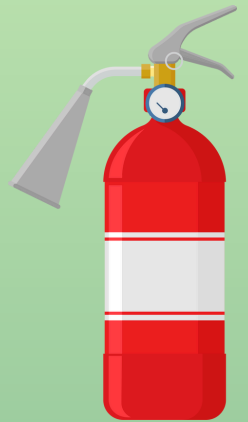

We found out how to drop and roll and how to ask at home about fire alarms. Additionally, we enjoyed trying on some uniform and finding out about a fire fighters job.

"I found the video that we watched very interesting as it showed us how quickly a fire can start!"
Sophia

"It was good to know what to do in case of a fire. It was cool to see how much equipment they had and how heavy it would be". Eve

"I was surprised that the firefighters needed to be ready and dressed for a fire in 90 seconds!"
Oliver

We learned how to stop drop and roll if we catch fire. We learned how important it is to know our address and postcode. We also looked at the uniform fire officers wear and how it helps them to do their job.

"On every floor of our homes we should have at least 1 smoke detector!"
Eben

Chyla: What is fire made of?
Martha: how many fires have you managed to solve?
Elliott: Why do you need to put them out and not just let them burn away?
Joe: I know that you help other things like if a person is lying in the road or if a cow is stuck in a ditch

TEAM PROM at the Queen's Theatre

Thursday 20th March

'It was great, even though it was nerve wracking. Even though you might have made a tiny mistake, people from the other schools still cheered you on!'. Carter

'In front of the crowd, it was very nerve wracking and scary but it was fun so it was okay'. Charlie

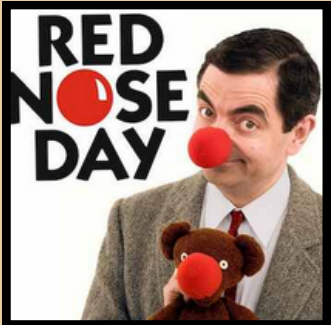

'I liked being on stage. It made me feel happy, excited and nervous!' Ted

**A HUGE WELL
DONE
TO KS2!**

Red Nose Day

Friday 21st March 2025

What a day we had at HNTPS! Children came to school with very wacky hair - we had curls, waves, purple hair, blue hair and we suspect lots of hair products had been used to create the master pieces! Well done for all of our children for taking part and coming together to raise money for those people less fortunate than ourselves.

RED NOSE DAY
FRIDAY 21 MARCH

BREAK THE RULES DAY!

- wear own clothes
- crazy hair
- unhealthy breaktime snack, or special treat in your lunch box

All rules broken will cost 50p to break - payment via Parentpay!

Minimum payment on Parentpay is £1 per child

Thank you to everyone for raising a huge

£182.50

for Comic Relief!!

“Comic Relief supports local community organisations and brilliant change-makers here in the UK and across the globe. Your donations help us fill the shelves of baby banks, community food centres, fund vital community-led services like health workers, local youth safe-spaces, and ensure safe passage for people escaping danger”.

THANK YOU!

Class 2: Litter picking in the field Monday 24th March 2025

On Monday morning, class 2 carried a litter pick around the school grounds, outside school and in the playing fields. They worked well in teams of three using their litter pickers to collect a range of rubbish. Amongst a range of items, the children collected were 3 footballs, one busted but two others stuck in hedges. The children also found an array of rubbish paper, plastic bottles that we carried back to school to put in our large rubbish bins.

"We found a mud flap lying on the grass outside of school" Joe

REDUCE
REUSE
RECYCLE

We plan to use our persuasive writing skills we have been developing in our English lessons to write persuasive letters to the local community about keeping our local area litter free. The children would also like to create some persuasive posters to display around the playing fields and in the school. We hope we can encourage others to pick up after themselves and keep our beautiful area of Lovacott clean!

"This is my first every litter pick and I really enjoyed it. I think I would like to do a litter pick near my house" Chyla

"We collected a lot of rubbish today, people need to put their rubbish in the bin" Blake

Class 2 Trip to Exmoor Zoo

Wednesday 26th March 2025

On Wednesday this week, class 2 enjoyed a beautiful day out at Exmoor Zoo to consolidate their science learning on animal groups this half term. The children enjoyed exploring the zoo and saw an array of different animals across the day. We also had an opportunity to get up close to some of the animals in our class workshop in the educational room where the children got to stroke a stick insect, snake, owl and meerkat!

“I really liked seeing the Exmoor Beast, it’s my favourite animal”. Alasdair

“My favourite part was stroking the meerkat, I was so brave!”. Teddy

“I loved all of the zoo, it was brilliant”. Laith

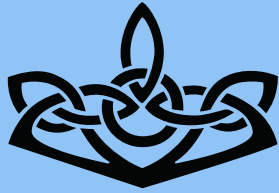

“I loved the wolves, I liked when they jumped up on the wall”. Penelope

It was so lovely to see the children using their knowledge and understanding of the topic we have covered in science to answer a range of questions they were asked by the zoo keeping staff. Both Mrs Stoner and myself were extremely proud of how the children conducted themselves whilst at the zoo and their manners whilst visiting the gift shop at the end of our visit. The sun shone all day and the children celebrated 4 birthdays in the class with some birthday cupcakes and a happy birthday song. A huge thank you to our parent helpers to come along to support with the trip.

Class 3 Viking Workshop with Clive Pig

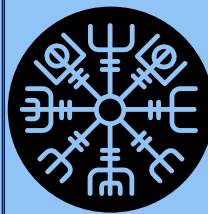

Wednesday 26th March 2025

“I really like the stories he told and how it was interactive - we got to tell stories and do acting - I liked how he told different stories from different points of view”.

“I enjoyed when we were acting and travelling - I liked when he stoned.”
Osha

“I enjoyed when we did the story telling because it puts it in a different way for us to understand”.
Louis

“When I teamed up with Louis and Wilfred, we made a ship name ‘Lightening’, Viking names and told a story”. Theo

We currently have 3 vacancies available at Team Multi-Academy Trust:

Meal Time Assistant at Umberleigh Primary Academy

Breakfast Club - Playworker at Beaford Community Primary & Nursery School

1.1 SEND Teaching Assistant at Pilton Bluecoat Church of England Academy

If you're passionate about making a difference and keen to help support our school's strategic direction, please think about becoming a school governor at HNTPS. For more information, don't hesitate to contact the school office to arrange a visit to further discuss the role.

WE NEED YOU.

We are looking for keen and enthusiastic volunteers to join our Local Governing Bodies (LGB) as a school Governor and/or a Trustee.

Governor
The role of a School Governor is key in ensuring the school offers high standards of education for all children. Each school within TEAM Multi-Academy Trust has its own Local Governing Body. The LGB meet once or twice a term and are encouraged to join in with our school visits and learning walks throughout the school year. This is a voluntary position and training is available for this role.

Trustee
Our Trustees oversee the strategic direction of the Trust schools along with holding the senior school leadership to account and monitoring the trust's finances—amongst many other aspects of school performance. They can draw on their own expertise from all aspects of business and industry and have specific interests as part of their role such as – Curriculum, Personnel, Admissions, Finance, Safeguarding, Premises or SEND. They meet approximately 6 times a year as a whole group and are active within a range of committees and individual portfolios.

VOLUNTEERING IN THIS WAY BRINGS MANY REWARDS. YOU WILL ENJOY WORKING ALONGSIDE LIKE-MINDED PEOPLE AND GET REAL SATISFACTION AT USING YOUR SKILLS TO CREATE A HEALTHY ENVIRONMENT FOR OUR CHILDREN.

If you are interested in volunteering or to find out more about being a local governor at your school or a TEAM trustee, then we would love to hear from you. Please email vacancies@team-mat.org.uk

Lunch menu: W/C Monday 31st March 2025

Our meal price is £2.55 per day for Class 3 and 4 children. Classes 1 and 2 children qualify for Universal Free School Meal funding. Jacket Potatoes with a choice of toppings are available every day. Fresh fruit, salad & wholemeal bread are available daily. Gentle reminder: we are a nut free school.

Stop norovirus spreading

Norovirus, also known as the 'winter vomiting bug', is the most common stomach bug in the UK. It can spread easily through close contact, or by contaminated surfaces, food or water.

The main symptoms of norovirus include a sudden onset of nausea, followed by projectile vomiting and diarrhoea, usually 1 to 2 days after becoming infected. Other common symptoms include a high fever, a headache and aching arms and legs.

Good hand hygiene is important to stop norovirus spreading.

To stop norovirus spreading, you should:

- wash your hands thoroughly using soap and warm water after using the toilet or contact with a sick individual and before preparing and eating food.
- stay off school or work until you have not been sick or had diarrhoea for at least two days
- not rely on alcohol gels instead of washing your hands, as these do not kill the virus
- wash any contaminated clothing or bedding using detergent at 60°C using disposable gloves to handle any items
- use bleach-based cleaners to disinfect surfaces

If you catch it, stay home for 48 hours after your symptoms clear

DO Wash clothes and bedding at 60°C

Wash hands with soap, clean surfaces with bleach-based disinfectants

DON'T Go to work or school, visit care homes or hospitals

Prepare food for others

Most people will make a full recovery in 2-3 days without needing any medicine. It is important to keep hydrated - especially children and the elderly.
