I have planned and led a family walk and can talk confidently about this with others.		
I can swim 50 metres without armbands.		
I can purchase items in a shop, knowing the money I will need and the change I will receive.		
I have joined a club (which can be an after school club) and attended for at least a term.		
I have safely searched the internet about an environmental topic and made a poster about what I have learnt using Word or Publisher.		
I have planned and cooked a meal for my family.		
I have taken part in the RSPB Big Garden Bird Watch.		
I have found out about local voluntary work or charities and made a donation from my own pocket money/or raised awareness to others.		
I have travelled on public transport with an adult, planning my journey and checking the timetable before I travelled.		
I have researched an inspirational historical figure and shared this information with others through a Powerpoint presentation.		
I have planned how to visit 3 historical landmarks around the world and explained why I want to visit them.
