I have planned and led a family walk and can talk confidently about this with others.		
I can swim 100 metres without armbands.		
I can safely use a Coding programme on the computer (e.g. Scratch and can type quickly).		
I have learnt a new craft and made something (woodwork, knitting, etc.).		
I can create a shopping list for a family meal with a limited budget in mind.		
I have planned, cooked and shared a meal from a different culture with my friends and family.		
I have researched a local, National or International charity in depth and raised money for it or donated some of my own money.		
I have visited or researched a town or city which I have not visited before and found out 3 interesting facts about it.		
I have joined an organised safe litter pick day at the beach (make sure you wear gloves).		
I can confidently write and safely send an email independently.		
I have thought about what career I might want to do when I'm older, researched this and presented this to the rest of the class.		
I can find out about 2 contrasting countries and explain their differences.
